WORK EXPERIENCE

React Native Developer

Jul 2025 – Present

Emizen Tech Pvt. Ltd., Jaipur

- Delivered React Native features across five live production applications — EVClass Driver (EV cab-booking), Punjab Radio (streaming), PIT, Samriddhi Finance (loan management), and Tank Topa (fuel station services) — supporting both Android and iOS.
- Diagnosed and resolved UI and functional bugs across multiple client apps, improving app stability and overall user experience.
- Integrated REST APIs for core app functionality, ensuring reliable data flow between mobile clients and backend services.
- Collaborated with cross-functional teams including backend engineers, QA, and designers to ship stable, high-quality releases on schedule in an Agile environment.
- Used AI-assisted development tools (ChatGPT, Claude, GitHub Copilot, Cursor) to speed up debugging, code review, and feature implementation across projects.

Software Developer

Apr 2025 – Jun 2025

Dorays Technologies Private Limited, Jaipur

- Built cross-platform mobile applications using React Native, targeting both Android and iOS from a single codebase.
- Integrated RESTful APIs, Firebase, and third-party libraries to extend app functionality and improve reliability.
- Built reusable, modular components and managed application state with Redux and Context API, improving code maintainability and performance.

Frontend Developer — Internship

Sep 2024 – Mar 2025

Mtoag Technology Pvt. Ltd., Jaipur

- Developed responsive user interfaces using React, React Native, Bootstrap, HTML, and CSS, ensuring consistent UX across screen sizes.
- Used Git and GitHub for version control; applied working knowledge of Node.js, Express.js, and MongoDB for basic backend tasks.
- Identified and fixed frontend bugs, optimized rendering performance, and ensured cross-browser compatibility.
- Configured and maintained WordPress plugins, themes, and blog content to support site functionality.

Web Development Intern Apr 2024 – Jul 2024

Vh Technology, Jaipur

- Built foundational skills in modern HTML/CSS, React.js, ASP.NET, and JavaScript through hands-on project work.
